Hello Martin,

Please find attached the completed Application for Interconnection form. I will also mail a paper copy to the address you provided below.

Also, as you may be aware, the City of San Jose is coordinating it's interconnection application with Google, Inc. to ultimately provide electric service to Google's Downtown West Mixed-Use development project in Downtown San Jose. Some of the information requested by PG&E is not included in the City's response because it is not available from Google at this time and to be determined later. The City will provide this information as it becomes available.

Thank you for your assistance, Martin. Please let me know if you have any questions.

Regards,

Kevin O'Connor
Energy Resilience Coordinator
City of San Jose Community Energy Department

Hello Kevin,

Thank you for confirming receipt of the Application for Interconnection form.

If you have any questions concerning the application, or if you know when PG&E might expect to receive the completed application, please let me know at your earliest convenience.

Best regards,

Martin Smith | Transmission Contract Manager, Sr.

Dear Mr. Smith,

This is to confirm that I have received your message and will review and return a completed Application for Interconnection form as requested.

Thank you,

Kevin O'Connor

Dear Mr. O'Connor:

This is to confirm that PG&E has received the City of San Jose's letter dated April 30, 2020, notifying PG&E of City's request for interconnection near the PG&E San Jose Station A.

In accordance with Section 10 of the Transmission Owner Tariff, PG&E submits the attached Application for Interconnection form for City's review and completion.

Please return an electronic copy of the completed application to myself at this e-mail address, and a paper copy of the completed application to the following address:

Pacific Gas and Electric Company
Electric Transmission Rates
Mail Code B13L
P.O. Box 770000
San Francisco, CA 94177
Attn: Manager, Electric Transmission Rates

Please confirm receipt of this message at your earliest convenience, and let me know if you have any questions.

Best Regards,

Martin Smith | Transmission Contract Manager, Sr.
