Sounds great Zak. My calendar should be up to date, so please go ahead and choose.

Jess' should be as well.

Best,
Eric

Subject: DISC Impact on DSAP Parks

Hey Jess and Eric,

In our review of the open space chapter, we came across some language that allows for the alteration of open space to accommodate DISC needs. Nicolle asked that I set up some time with you to discuss potential impacts. Just wanted to give you a heads up really fast, I will look for some time on the calendar to chat early next week. If there is specific time that works better for you, let me know. Otherwise, I will just use the scheduling assistant to find something.

Thanks,
Zak
