Hi Michelle,

Can I bug you again to mail the attached document to PG&E the next time you're at City Hall. The address is provided in the first email of this string below. If you're not planning on being at City Hall anytime soon (this week or early next week), let me know and I'll figure something else out.

Thanks!

Hello Martin,

Please find attached the completed Application for Interconnection form. I will also mail a paper copy to the address you provided below.

Also, as you may be aware, the City of San Jose is coordinating it's interconnection application with Google, Inc. to ultimately provide electric service to Google's Downtown West Mixed-Use development project in Downtown San Jose. Some of the information requested by PG&E is not included in the City's response because it is not available from Google at this time and to be determined later. The City will provide this information as it becomes available.

Thank you for your assistance, Martin. Please let me know if you have any questions.

Dear Mr. O'Connor:

This is to confirm that PG&E has received the City of San Jose's letter dated April 30, 2020, notifying PG&E of City's request for interconnection near the PG&E San Jose Station A.

In accordance with Section 10 of the Transmission Owner Tariff, PG&E submits the attached Application for Interconnection form for City's review and completion.

Please return an electronic copy of the completed application to myself at this e-mail address, and a

paper copy of the completed application to the following address:

Pacific Gas and Electric Company  
Electric Transmission Rates  
Mail Code B13L  
P.O. Box 770000  
San Francisco, CA 94177  
Attn: Manager, Electric Transmission Rates

Please confirm receipt of this message at your earliest convenience, and let me know if you have any questions.

Best Regards,
