Hello Bethany,

It seems like VW wont be able to make the meetings today. We are still waiting to hear back from them regarding other possible dates for the meeting. We will look to get back to you as soon as possible once we hear from them.

Regards,
Zak

Thanks Zak,

Ives, we are currently holding 30 minutes, 8:30AM and 4:30PM, tomorrow, Tuesday, Aug 18, to introduce the preliminary LGC trail alignment in the south of the Project site.

Please let us know which of these time slots work for both City and Valley Water attendees.

Thanks,

Hey Yves,

I have included Bethany on this email to help narrow down a time for this conversation. Do you have any update from VW regarding their availability?

Thanks,
Zak
