Hello Marsha,

Would you like me to include your email below as a comment from the scoping meeting? The transportation section of the EIR is not yet complete, and that is where this subject will be addressed.

Thank you,

Subject: Google-San Jose Project

Hello,

Will Google use its own shuttles to transport its employees, or will VTA expand its bus service to provide for the transportation needs of Google employees and all residents in the area? We are in dire need of improved and expanded bus service, but it won't happen if Google only takes care of its own and relieves the VTA of its responsibility to provide fast and reliable transportation options.

Thank you,
