Subject: Today's Energy Working Group meeting at 3:00 pm

I don't think it's necessary for you guys to join today's Energy Working Group meeting at 3-4 PM. We are discussing details about the encroachment permit for the utilidor and it's really a public works issue that I'm helping to resolve. I'll share any relevant information with you during our 4:00 pm meeting if you prefer.
