Hi David,

No problem, I'll follow up with DOT and Juliet.

I talked to Thai about using some sick time on Monday because I feeling a lot worse than I am now.

Thanks,
Shannon

Hi Shannon,

If you can reach out to DOT, that will be great (will minimize confusion on their end).

Hope you can rest up. If you need to take a sick day, let Thai and I know.

Thanks,

Hi David,

Thanks for asking. I can reach out to DOT as well if you would like. I need to look back at my notes about historic adjacency, but I know the initial question came up because of the San Jose Water Company and the conservative setback requirements in the Downtown Strategy. I know Juliet said she reviewed the DWDSG, so I'll take a look at her comments, and coordinate with ESA to get the answers they need as necessary.

Unfortunately, I'm still not feeling well! Whatever I have is sticking around.

Thanks,

Hi Shannon,

Do you want me to reach out to DOT to get a paragraph of each description from DOT? You can take care of Juliet.

Hope you are feeling better!

Thanks,
