Hi James – Oct. 19th is fine and I'm happy to do the video message. Posting the video prior to the meeting is a great idea. Thanks.

Hi Rosalynn,

We are fast approaching the community meeting. Kim and Lori have reached out to see if we can move the community meeting to a later date, due to Oct 15th being on a Presidential Debate. We have tentatively moved the date for the meeting to Oct 19th and this date seem to work with Google and Lori's engagement schedule. Please let us know if this date works for your schedule.

Prior to the community meeting and in conjunction with the release of the resubmittal documents on Oct 7th, we will be posting a video online. The video will include both a staff presentation and an applicant's presentation. We were also wondering if you may provide the foreword message in the video presentation and we can coordinate with you on the script. We will be happy to schedule and coordinate a meeting to go over the presentation.

Regards,

James Han
