Hi Melrose,

I hope you had a good weekend!

Nicolle asked me to reach out about Google/Downtown West PRC Meeting, previously scheduled for 12/2.

We'll have to move it to a later date so Planning and PRNS don't have community meetings about Google at the same date and time.

If there's a PRC meeting January 2021, we'll present then (I've seen conflicting information if there is one). If there isn't one on January, we'll move our topic to early February.

Once I have confirmation of the PRC dates, I can update the PRNS workplan on the sharepoint. Is there anything else I'll need to do?

Thanks,
Larissa
