Hi James,

Please refer to the email thread below. This is the inquiry I was referring to on our DSA PMs call this morning. I am not familiar with this contact at Google.

Are you able to provide him with an update, since you have been working with Google on the HPA Permit?

Thanks!

Hi Shannon,

At our last Google meeting, Google staff didn't seem to be aware of this HP permit amendment application in process.

The project manager has emailed me about the status.

I'd tabled the review for now since Google staff indicated they were going to look into it and see if they still needed this permit.

Did anyone get back to you by chance? If not, do we want to follow up with Google?

Hi Bobby,

The city is asking about the below permit adjustment. It is showing pending. Should we close this out? Can you shed some light on this?

Thanks.
