Karl,

I've include Rey and Vivian from Public Work in this email. We gave them the description and Rey was able to go over the description and compared it to old maps and existing maps and he help use determine that the project is outside the legal description. Not sure if ray could send you those maps and maybe a phone call to explained how the maps were changed over time

and determination was made.

Best,
Tong (John) Tu

[External Email]

John: Are you able to provide us with a map of the City Landmark designation for the Southern Pacific Depot? While we were able to locate the City Council resolution adopting the Landmark designation (see attached), it did not include a map.

Any help would be appreciated. Thank you.

James,

Per the Southern Pacific Depot, 65 Cahill Street property description, the boundary does not include Cahill St. I underlined in the attached PDF describing the traverse of the property boundary following along the (westerly) right-of-way line of Cahill St (which would be the easterly boundary of the parcel).
