Hi Cheryl,

Could you assist with updates to the EIR timeline on the Google webpage? I have attached a markup of the timeline currently posted noting the changes. The new timeline is noted in the comments. Public circulation of the EIR starts on 10/7, so we would like to have it updated before then.

Please let me know if you have any questions.

Thanks!

Shannon, John and James – Checking in our Google Project webpages:

AT THE EIR PAGE: <https://www.sanjoseca.gov/your-government/department-directory/planning-building-code-enforcement/planning-division/environmental-planning/environmental-review/active-eirs/downtown-west-mixed-use-plan>

- Any updates needed? Is there a Draft EIR yet or when is that expected?
- As more documents are added, under Circulation, should we add that Oct 23-Nov 22 is the NOP circulation period—see snip image below.

CIRCULATION

October 23, 2019 to November 22, 2019.

[Public Comments on Notice of Preparation](#)

AT THE PROJECT REVIEW PAGE: www.sanjoseca.gov/GoogleProject

- Any updates to the timeline? We are showing a Draft EIR as posting mid-summer--see snip image below.
- Are all project review meetings listed? Any virtual meetings coming up to post here?
- I updated the language about the DSAP survey since that is now concluded.

Thanks for keeping content on these webpages current.
