Subject: Downtown West Parking TDM

Hi Team,

As a follow up from this afternoon's call, please confirm whether or not we are requiring additional TDM beyond the 15% AB 900/27% for Air Quality for any parking reductions. Is the project meeting parking requirements? I understand we are working on an overall TMA but that program may not be in effect until after the project is approved.

Thanks,

Manjit K. Banwait
