So, the D6 office has agreed to coordinate the "working group" meetings. The Planning meeting is confirmed for August 27. Again, the 2 topics are environmental clearance for the DSAP amendment and refresh of the Downtown Design Standards & Guidelines and any changes in DSAP amendment. I'll let you know if there are any changes.

Thanks.

Good evening Rosalynn and Robert,

Per our conversations with the DANG (Diridon Area Neighborhood Group), I'm confirming our first working group meeting with planning on Thursday, August 27th at 7 p.m. via Zoom. Our office has offered to coordinate these meetings similar to our working group with the Bascom Warming Center last winter. I've also copied Councilmember Perez and Christina Ramos since some of the residents of this group live in D3 and their office may want to participate.

After speaking to Bob Staedler, who is working as a consultant to DANG, we've identified other departments with whom they would like to meet with over the next few months as the Diridon plan progresses. The suggested series would run like this:

Thursday, August 27th @ 7 p.m. - 8:30 p.m. - Planning

Thursday, September 10th @ 7 p.m. - 8:30 p.m. - DOT

Thursday, September 24th @ 7 p.m. - 8:30 p.m. - PRNS

Thursday, October 8th @ 7 p.m. - 8:30 p.m. - Economic Development

These meetings will allow residents who are directly affected by the Diridon Development participate in a discussion that addresses focused issues in the neighborhoods before, during and after construction.

Department directors, If you have any questions, please feel free to contact. I'm working from home and my cell phone number is 408-858-1724.

Thanks!
