Yes we have funding. Have them send the invoice to Tara. She will use the Vis code for Diridon engagement. Thanks!

Subject: Recorded Presentation Translation

Hi Lori,

Regarding the translation of the recorded slides, Jose has referred me to a group called Universe Technical Translation Inc. They seem to be capable of translating our slides for the recorded presentation. Do we have funding to reach out to them? Trying to figure out what the best route is for getting this done in a short amount of time.

Thanks,
James Han
