Lori,

We have at least one certified bilingual Vietnamese speaker in PBCE that I know of, Xuan Ha from the Small Business Ally team. She was called on to interpret at a SAAG meeting while you were on leave.

James could see if Xuan is available to facilitate the Vietnamese breakout group, since she “speaks planning.” There are a few other staff in PBCE who speak Vietnamese as well (but not sure if they’re certified for bilingual pay etc), if Xuan doesn’t feel comfortable or isn’t available.

VAR reps would be perfect for note-taking, meeting logistics and development as potential future facilitators.

Just my 2c,
Tim

Also, I forgot to add this task for the DTW meeting: we need to identify two people that can do facilitation and note-taking in the Vietnamese breakout room

James – can you see if there is anyone in PBCE that is available? They could also answer general planning-related questions that may come up.

I was also thinking of seeing if VAR could have 1-2 people help out, since they are a partner via the CatalyzeSV grant and are preparing for their own event on 10/21 (good practice for them). Thoughts?
