Hi Janet,

We will be posting the EIR for public circulation tomorrow and will send an email notification. We are also in the process of updating the project websites to include meeting and hearing dates known to date. Some are still TBD. Refer to the [Google Project](#) website and the [EIR website](#) for the most recent information, which should be posted tomorrow.

Thank you,

Hi Shannon,

Can you please tell me if the City has set any dates for hearings on the Downtown West Mixed-Use Project or if there is a projected timeline for hearings?

Thank you, in advance, for the update.
