Hi Shannon,

I hope you're doing well!

DTW's PRC meeting has been reschedule and I'm finalizing the memo.

Can you provide clarification on the CEQA language in the memo.

The memo provides an update on the overall open space plan of the DTW. DTW has overall CEQA implications, but our memo is just update and doesn't. We assumed the memo wouldn't need CEQA memo review and put the following language in the memo:

- Not a Project, File No. PP17-008, General Procedure & Policy Making results in no changes to the physical environment.

Please let me know if this is the correct language and if not, where to find the correct language.

The memo is attached on the first email in this thread.

Thanks,
Larissa

Hi Larissa,

Phew! That is a huge relief. I was just about to email you. We had a huge push over the weekend and early this week to expedite the project schedule, so I'm running behind on everything else.

I was going to try and rush to review this for you this afternoon, but I truly don't have time, so thanks for letting me know .

Hey Shannon,

No need to look over the CEQA language. The item got moved to a later PRC date.

Thanks,

Larissa

Subject: DTW: Draft PRC Memo CEQA Question

Hi Shannon,

I hope you had a nice weekend!

I have a question about the CEQA section of an informational PRC Memo PRNS is drafting

(attached).

The memo provides an update on the overall open space plan of the DTW. DTW has overall CEQA implications, but our memo is just update and doesn't. We assumed the memo wouldn't need CEQA memo review and put the following language in the memo:

- Not a Project, File No. PP17-008, General Procedure & Policy Making results in no changes to the physical environment.

Please let me know if this is the correct language and if not, where to find the correct language. We're on a tight deadline for this, so I would really appreciate it if you could let me know by Thursday afternoon.

Thanks,
Larissa
