Hi James,

We have a link in the second paragraph that takes folks down to the feedback form, were you suggesting that link be moved up more?

DAVE JAVID, AICP, LEED AP

We moved to a new office, please note the updated address below.

Hi Cheryl and Dave,

We want to make sure all the links we reference on the public notice that would be on our webpage is easy to find on the google city webpage. For the changes in the project webpage, please see attached document called “website update”.

Dave, can we create a link that sends them to the bottom of the page where the form is, so they don’t have to scroll down to it? Please see the word document Diridon WebPage for a visual.

If you have any questions or comments please let me know.

Thank you,

James Han
