Hi David - I have no comments, looks good! I agree with Robert, the narrative is really helpful.

Thanks,

Jared

David:

I did a quick scan/review and this looks good and informative. Great job with the narrative, which makes it easy to follow. Jose, I'm wondering whether you can provide a base map showing the DSAP area within the Downtown Strategy Area, Opportunity sites, Cat's ears etc., to help simplify and clarify the respective geographic boundaries and areas that are referenced (A Picture is worth a thousand words), for the consultants and stakeholders. A base map is always helpful for clarification and simplicity.

Great job all.

Hi Shannon, Jared, Robert, and Jose,

I added a narrative to explain the assumptions in the table of the DSAP capacity shifts. Could you review quickly and let me know of any errors or feedback on the narrative? I am going to send this to Circlepoint and ESA tomorrow.

Thank you,
