Hi Cheryl and David,

Regarding your request below, I changed the text on the EIR webpage to read as follows:

For the official record, please reference **Downtown West (Google)** in your written comment letter.

Thanks!

That would be great! Much easier for people to type. Thank you!

Hi Cheryl,

We can simply have comments just reference "Downtown West" instead of all the application numbers. That may be easier.

I don't understand this sentence – long day for you, okay by me to fix tomorrow! Perhaps it needs to read: For the official record, please reference File Nos. GP19-009, PDC19-039 and PD19-028 in your written comment letter.

For the official record, please include your written comment letter and reference **File Nos. GP19-009, PDC19-039, and PD19-029.**

That's a lot of awkward numbers to have to reference, btw ... any way we could make it easier for folks?

Great job getting everything up!

Hi Cheryl,

Yes, we will be providing that information today. This is just the first phase: getting the EIR actually posted.

Thanks,

Shannon, Thai - On the EIR webpage, shouldn't you add the instructions on how to submit comments to the DEIR, the necessity of providing them in writing for enfolding in the final EIR? Would be good to bold the deadline with the 5:00pm cut-off time.

**Subject:** DTW EIR Posted on City Website

Hello,

Luckily, Vision cooperated, and I (with Thai's assistance) was able to post the EIR files on the [environmental review page](#). I also made edits to the description to reflect the current proposal, added reference to the [diridon.org](http://diridon.org) website, and made other minor edits to bring the page up to date.

Unfortunately, the Phase I ESA files were too large to upload to the website, so we may need someone in the office to try and upload the documents, as Thai confirmed they do not exceed the file size limit. I likely won't be able to come into the office for two weeks because I attended my sister's wedding over the weekend, so I plan to contact IT and/or Matthew Opsal in the morning to see if they can assist with uploading the files.

Thanks,

Shannon Hill, Planner

Hello,

Just letting you know the Vision website crashed while I was trying to post the EIR files, and I got the following error message. I will keep trying. Hopefully it will start working again soon!
