Hello John-

Hope this email finds you well!

I am not sure if I am reaching out to the right person regarding my question but upon some research, I came across your name and thought I'd start here.

My name is Ashika Giri. I am a mother of two (a 3-year-old girl, and a 1-year-old baby boy) and I live in San Jose with my family. I am an immigrant and came to this country about 20 years ago. I am a small business owner. I own a dump truck business and I am reaching out to ask if the City Of San Jose would give me the opportunity to provide the Dump Truck service for the upcoming construction Needs with the Google campus project? I am not sure what is the best approach but thought I'd reach out to you hoping you could kindly point me in the right direction.

I appreciate your time and I look forward to hearing from you.

Best,  
Ashika
