Hello Yunsheng,

Thanks for catching that! Yes, it should read "Bird Avenue/I-280" as indicated your email, and I have forwarded your comment to the City's environmental consultant to be addressed in the response to comments/1st Amendment of the DEIR.

Thanks!

Hello Shannon,

This is Yunsheng Luo with Caltrans D4. We received a review request from SCH for the Downtown West Mixed-Use Plan (Google project). I just skimmed through the transportation section in the DEIR and have a clarification question. On page 3.13-59, it says that “[The project applicant would contribute to the Bird Avenue/I-80 Bicycle-Pedestrian multimodal connection from Diridon Station area to the Gardner community.](#)” Did it mean **Bird Avenue/I-280**? Because I-80 is not located near the project site, based on my understanding of the purpose, I think it should have been I-280? Just want to make sure I understand it correctly.

Thank you!

Best,

Yunsheng Luo
