I would also add that if it's not possible because you have already mailed the hard original copy back, can we do electronic filing tomorrow and we will replace the copy with the correct receipt on our side when we get the hard copy back.

Thank you!

Thank you, Sandy.

Question --Can County keep the copy and refile it for tomorrow ?

We dropped it off a day early for tomorrow filing since we were not sure if it could be filed tomorrow if we drop it off then. We need the date on the County clerk receipt to match the date on the notice.

I can't drop off another copy as the original copy is with you all.

Best regards,
Thai
