Great point. Let's skip that then. I could just mention that the CIA of the G project mirrors the DSAP CEQA analysis due to coincidental geographic location and leave it at that. Thanks for pointing out the con

Hi Robert,

You mean add the cumulative projects to the map? We could mention that the Downtown West EIR and DSAP Amendment will include cumulative projects, most of which are already covered within the capacities of Downtown Strategy 2040. The only ones outside of the boundary that I know of are the Avenues School and projects along West San Carlos.

My fear is that if we include dots showing cumulative projects we will get into the weeds about which project is included in the cumulative analysis and which is not, when all are included in the Downtown Strategy 2040 EIR and General Plan EIR.

Thanks,

David Keyon

Thanks David:

This looks good, and I can verbally make any additions during the presentation. Jose one quick favor: - can you make the map a little clearer/distinct geographic boundaries with minor changes to the coloring? Also, David, I think we should add the cumulative projects map within the downtown area.

Hi Jose,

Thanks for formatting. Attached are my draft slides. Tried to simplify it, but with the map it still comes out as 4 slides.

Robert/Jose: Let me know if you need anything else.

Thank you,

David Keyon

Good morning everyone,

Robert, thank you for letting me know you'll be presenting.

David, I will look out for the slides. No need to spend any time on formatting. I'm happy to take the slides you send over and format them to match the presentation I'm working on.

Thanks!

Jose

Hi Robert,

When do you need these slides by? I will have to finish tomorrow because of the incoming screen check tomorrow and Thursday.

Thanks,

David Keyon

Thanks Jose:

I will lead the presentation. David as previously discussed, can you prepare 2-3 slides plus the revised map, based on the attached brief that we already have (including any latest information from Circlepoint)?

Thanks

Subject: DANG Meeting - Thursday, August 27, 7-8:30 PM

Hi David and Shannon,

I hope you are both well and keeping safe. D6 has coordinated a "working group" meeting for this Thursday, August 27, 7-8:30 PM. There are two (2) topics on the agenda.

- Environmental Clearance for the DSAP Amendments
- Refresh on the Downtown Design Guidelines and Standards

Tim will be leading the Downtown Design Guidelines and Standards presentation. Who on the environmental team will be leading the environmental clearance for the DSAP Amendments? Will you be using the attached document while presenting or do you have PowerPoint slides

that you'd like me to incorporate into the PowerPoint presentation I'm working on?

Thanks!

Jose
