Hi Karl,

My understanding is that I should be notified when a consultant uploads documents for approval, but I will check.

Thanks,

Shannon: I have loaded everything to ceqasubmit.opr.ca.gov, but I don't see any place to click to actually submit the documents. Or is that something that you do?

I also don't see any place to notify you that the document is ready for review. Can you try logging in to see if it asks you to review and submit?

Thank you.
