Hi Ben,

Thanks for your patience. Due to an editorial oversight, the DEIR was submitted without the referenced appendix. However, this has been resolved, and Appendix E3 (Relocation Feasibility Study) is now available on the [EIR webpage](#). The Table of Contents has also been updated.

Please let me know if you still have issues viewing the appendix.

Best regards,

Shannon Hill, Planner

Hi Ben,

I see that Appendix E3 is not included in the Table of Contents. However, it is referenced in Impact CU-1 and the associated Mitigation Measure (MM CU-1b). I am working with the environmental consultant to fulfill your request and will respond to your request ASAP.

Hi James,  
The Downtown West EIR references an Appendix E3 Relocation Feasibility Study. I don't see this posted online— can you provide a copy?

Thanks,
