Hi Gabby,

Thanks for reaching out. I actually am not involved with this process, my work is related but focused on the Downtown Transportation Plan. I'm cc'ing Lori Severino whom you may know and who may know the best direction to point you in!

Dear Corinne,

My name is Gabby, I am a volunteer with Catalyze SV and also do some part-time contracting community engagement work for The Core Companies. I am thrilled about the upcoming meetings and workshops Google is hosting this month. Wanted to reach out to you and ask if you happen to know how Google will be recruiting and vetting out artists for public art installations as I would like to give suggestions to help identify and enhance the landscape through public design.

Thanks so much,
Gabby
