Hi Juliet,

Thanks for your time earlier this week to work through some of the EIR issues during our roundtable session on cultural resources. I wanted to follow-up and see if you have some availability next week for a call to discuss our incorporation of standards related to historic resources within the Downtown West design guidelines.

Thanks,
Anton

Hi Juliet,

We are working on incorporating guidelines around historic resources within our draft design guidelines for the Downtown West project. We've come up with a few questions during our work that would be helpful to get your feedback on and were hoping we could schedule a call to discuss. Do you have some availability either Friday or early next week for a call to discuss?

Thanks,
Anton
