Hi Juliet,

In follow-up to today's meeting, I have a couple requests for you:

1. Please email me additional information on the Tyco building that may help determine if it's nationally eligible.
2. After ARG pares down the list of properties included (aka: touched by) the 200-foot buffer around the project boundary based on the windshield survey, evaluate properties to determine potential for eligibility, and provide information to me by 2/28 (Friday) at the latest, so we can pass the information onto ESA/ARG.

Thanks!
