Juliet, Charles, and Becky:

Anton Walker just joined the Google-Lendlease team (on the Lendlease side) as a development manager. We're very pleased to introduce him to you. To get acquainted with the project site, and especially its historic resources, we thought this would be a good opportunity for him to do a walk as well, generally listening to the discourse and getting an in-person sense of the site. I hope this is OK - please do let us know if you have any thoughts. Otherwise Anton will look to meet you all tomorrow at 1, at the Stephen's Meat Products sign!

Anton's mobile number is [REDACTED].

Thanks,  
Andy
