Right you are, Juliet - 1/15 not 1/25.

That would be "January 15", Wednesday at 6:30pm HLC meeting. Google applicants will need to present the project and ARG should be here to describe the historic resources (preliminarily) and historic context.

Thanks Juliet

James, can you confirm with Google staff that they are OK with a 1/25 HLC meeting for early referral? This would be on both the Downtown West project and the DSAP amendments. Thanks.

Hello – in your team meeting this week, please discuss with Google about scheduling the project for early referral at the Jan. 15 HLC meeting. We need to confirm by early next week, as the hearing notice is due to support staff on Dec. 2. Thanks.
