Subject: Diridon Area Neighborhood Group

Good afternoon,

My name is Bob Staedler, I'm with Silicon Valley Synergy. I am a consultant for the Diridon Area Neighborhood Group (DANG). The purpose of my e-mail is to request a meeting to discuss historic preservation and concerns of the neighborhoods. While the Google proposed development is getting the headlines, the totality of the proposed development has neighbors concerned.

Please let me know when you have time to chat about these neighborhoods.

Regards,

Bob Staedler
