For larger projects we schedule an HLC meeting during the 45-day review period, so they can comment individually or as a body. I do have it on the HLC agenda for August 5, 2020, and I would also like to add the DSAP, information update at the same meeting. Thanks Juliet

Hi All,

If the City publishes the Draft EIR for public review on 7/14, would the presentation to the HLC occur the following month on August 5th, or do you wait for the public circulation period to be complete?

I'm not familiar with the timing of HLC hearings after DEIR's are published, and ESA has a placeholder for the hearing in their schedule awaiting the City's input.

Thanks!
