Hi all!

As I think many of you know, with Rosalynn's blessing I offered briefings on the DEIR and other documents to our DISC partners. Kelly / HSR is interested in taking us up on this! The goal is to walk them through the documents and answer questions that help the Authority make good / accurate comments. (Both VTA and HSR have done the same for us on their projects in recent years.)

Would one of you be able to help us set this up / attend? Which dates appear to work for you / the right folks on your teams?

Best,  
Jess
