Subject: AB 900 Admin Record page - items added after DEIR publication?
Date: Monday, November 2, 2020 3:13:31 PM

Hi Karl and Linda,

I went to the AB 900 website, and I didn't notice anything posted in the section for items after DEIR circulation- Week 1. Are these items posted somewhere else on the page (i.e. correspondence)?

Also, how many comments have been received so far?

Thanks!
