Hi David

We did modify this, we now have a category called "Post DEIR Release Correspondence" instead of the weekly heading. And all correspondence after 10/7 is in that category. You may need to refresh your browser.

We do have comments on several aspects of the project from a variety of inputs in the admin record (from the City website, emails to Shannon etc) so I will defer to Karl on that question.

Thanks! (And Welcome Back!)
Linda

Subject: AB 900 Admin Record page - items added after DEIR publication?

Hi Karl and Linda,

I went to the AB 900 website, and I didn't notice anything posted in the section for items after DEIR circulation- Week 1. Are these items posted somewhere else on the page (i.e. correspondence)?

Also, how many comments have been received so far?

Thanks!
