Hi Shannon,

Thank you for helping out. We will have support for updating the website and sending out the newsflash. But we could use your help in just sending out the e-mails. Please include Mr. Lawson in the e-mails with the extension. I will send over a revised e-mail with the extended date tomorrow morning.

Thanks!

Hello,

I can take care of the noticing and website updates tomorrow even though I'm technically "out of the office." I have my laptop.

Has someone already replied to Mr. Lawson, or should I?

Thanks,

I just discussed with David. We can start with hlc meeting tonight and then work on sending official notification via news flash and online by end of week or Monday. David is working on the logistics.

How do we normally communicate an extension of public comment period for a DEIR? Robert: you mentioned that we want to wait until next week – can we communicate the extension sooner?
