Subject: Presentation of DEIR slides for Downtown West at tonight's SAAG, plus update to slides to reflect extension
Date: Monday, November 9, 2020 3:22:50 PM

Hi Robert and Lori,

I am confirming that I am still presenting the Downtown West DEIR slides tonight, correct?

Also, Lori, can you update the first Downtown West DEIR slide to include the extension of the comment period to December 8?

Thank you!
