Thanks Eric,

I was hoping to have a separate meeting about the transit impacts in the LTA, I thought the conversation might get a little technical and didn't feel like the entire group needed to be part of it.

So Lola contacted Shannon Hill to set up a meeting, is there a better person to contact?

Hi Jason,

Sure, happy to set up a time.

Would you like to do a combined meeting with Lola on the EIR or separate meetings?

It was a medium-sized group of folks (maybe 10) who we met with at HSR, including much of the environmental team, Kelly, Bruce, and others.

Thanks,
Eric

Hi Eric and Jess,

Something I mentioned during our access planning call, but could we set up a time with you and Fehr & Peer team to discuss the LTA? We wanted to get more information on how the transit delay numbers in the document were calculated.

Also, Lola is in the process of setting up a separate VTA/CSJ meeting to go over questions on the EIR, I wanted to check who she should contact about it? Also just curious, who was in the HSR/CSJ meeting on the EIR?
