Hi SAAG,

Here are a few more updates before the meeting tonight.

- For those that RSVP'd or are listed as a primary rep on our contact list, you should have received a Zoom panelist link around 2:00 today. If not, please check your spam folder and then let us know (Dave, Jennifer, Tara, and me). If all else fails, here's a link to the general one: <https://sanjoseca.zoom.us/j/99443238889>.
- Here is a letter from the [DANG dated today](#), posted on the SAAG page.
- The City has extended the Downtown West DEIR comment period to December 8 (see the [Downtown West EIR page](#) for more info).
- The Draft Diridon Affordable Housing Implementation Plan is now available for public review! Visit the [AHIP page](#) for more info and an online feedback form.
- We apologize for any inconvenience but we have to reschedule the Trinity Episcopal Cathedral events planned for this week. The next community engagement event will be this Friday, Nov. 13, 12:00: [Transit, Walking, and Biking in the Diridon Station Area](#). See the [Fall 2020](#) for all event info, and please help us spread the word.

Thanks!

Subject: SAAG Update

Hello SAAG members,

I hope you are doing well. Here are a few updates.

Draft Amended DSAP now online!

The City has posted the Draft Amended DSAP and a feedback form here: <https://www.diridonsj.org/fall2020-dsap>. There is also a technical memo explaining the environmental review approach. This is another big milestone in planning for the Diridon Station Area, building upon input from you all! We look forward to hearing your thoughts.

SAAG Meeting – November 9th

Please RSVP to me and Tara for the next SAAG meeting on Monday, November

9, 6:00-8:00 PM on Zoom. You will get a zoom panelist link the day before. The draft agenda is to provide updates and discussion on these topics:

- The timeline and community engagement process
- Downtown West (development review, CEQA, Development Agreement)
- Draft Amended DSAP
- Draft Diridon Station Area Affordable Housing Implementation Plan
- Approach to Small Business Resiliency

This will be an important meeting for hearing your organization's perspectives on these big projects as we approach the targeted decision points next Spring. To help facilitate a productive conversation, we are planning to send the presentation deck in advance. In the meantime, we request that you take a look at the draft documents and resources available through the [Fall 2020 page](#), such as the [recorded presentation for the Downtown West Community Meeting](#) on October 19.

Please send us any questions, topics of interest, or initial comments so that we can best prepare for our discussions with you all. (Note any emails about the Downtown West project will go right into the AB 900 public record and any comment letters from your organizations go on the SAAG page.)

Other Engagement Events

- There is a lot planned for the next few weeks to share information and gather feedback on the draft documents, as described on the [Fall 2020 page](#). **Please share this [flyer](#) and help us spread the word about these public events.**
- This evening at 7:00, SOMOS Mayfair and Business Circle LatinX are hosting a Cafecito for Small Businesses in Spanish. For more info and to register: <https://www.eventbrite.com/e/el-futuro-de-tu-pequeno-negocio-en-la-estacion-de-diridon-tickets-126456172817>
