Subject: Downtown West DEIR meeting?

[External Email]

Hi Shannon,

It's my understanding that your team is meeting with folks to clarify any questions about the DEIR. VTA would like to set up a meeting soon to discuss the following items:

- Post Street Design
- Tunnel Boring Machine
- Construction Transportation Management Plan (CTMP)
- Bicycle Storage and Parking
- Infrastructure Analysis for BSVII

We hope this meeting would answer questions we have prior to submitting our comment letter. Who can we meet with on these items? Thanks and talk soon!

~Lola
