P.S. I'll provide the images tomorrow or Monday if that works. I have a deadline I'm working towards today/tonight.

Thanks!

Hi Cheryl,

I believe there are images of all those structures in the DWDSG that we could pull from.

Thanks,

Re DTW ppt, might be nice to include photos – if we have them -- on the slides of any of these businesses with historical value:

- Kearney Pattern Works—Relocation, Adaptive Reuse, Addition
- **Cultural: Hellwig Iron Works—Modification**
Cultural: Stephen's Meat Products

Or might Vicrim have these?
