Hi Alex,

Looks good thank you. Can you make one minor change? The slides that list Illuminating Art/Murals, can you please title that Public Art. Those two works shown fall under Public Art. We have many works in the area, some reference history like [Remembering Agriculture](#), some reduce blight or pollution like [Litterature](#), and to maximize the full potential of public art, it is best not to limit it.

Thank you,

Michael

[External Email]

Michael - I have added all 3 images with artist credit to the PPT, thank you!!

Kerry - I will be listing the 10 cultural facilities & highlighting SAP Center with the photo you shared.

The [PPT with your additions is here](#) if you wish to see it.

- Alex

Hi Alex,

Here are the images we discussed:

Image 1: *Sensing You*, 2015, Artist Dan Corson, photographer Adrien Le Biavant

Image 2: Not titled yet as it is currently in production, Artist Jesse Hernandez

Image 3: *Life*, 2020, Artist Larry Kirkland, photographer Craig Collins

Please provide artist credit with each image and let me know if you need anything else.

Thanks,

Michael
