Thanks for your help Jennifer and Ron.

FYI, I am cc'ing the Downtown West email address, as all CEQA and public outreach-related correspondence for the Google Project is posted publicly as part of the administrative record for the project.

Thanks!

Hi Ron,

I would prefer not to respond to the customer by sending them a printed email. Since the meeting has passed (notice says October), we can just disregard.

Thank you.

Kind Regards,

Hi Jennifer,

OK, great, thanks for the update! I guess I could simply print out your response comments, place it with their request and mail it back to them. Would that be a good idea?

Hi Ron,

This customer "Pacific Premier Trust" was given a meeting notice because Santa Clara County has them listed as an owner to a property in San Jose located near the Google project. Since Planning is required to notify residents near this project and owners that own property near the project, they were also noticed. We don't have an account number or customer name to provide them.

Thank you.

Kind Regards,

Jennifer Provedor

Hi James,

This item came to City Hall with no contact name or department. Someone opened it up and wrote down your name. I looked at it further and added Shannon and Jennifer Provedor's names as possible people of interest.
