[External Email]

My understanding was we were going to discuss each point tomorrow, then brief the attorneys on a call on Thursday and let them take the information to draft. I think this is the most expedient way to do this.

Hi A-P,

I could have also misunderstood, but my understanding was we were going to talk through each point tomorrow, and then brief the attorneys who would do the drafting. We can also deliver something in writing tomorrow and talk through - either way.

Sheela/Nicolle - perhaps you two want to connect on logistics for this week?

Best,
Amanda

Hi Amanda,

I thought that we were going to provide redlines to your most recent document a few days after our meeting tomorrow. Am I mistaken about this?

Nicolle & A-P,

Reaching out to schedule our follow up session with Coblentz and Johnny to review the outcome of our discussions Tuesday.

We are available Thursday 3 - 5:30. Can you confirm whether that works with you both and Johnny?

Thank you,
Amanda
