Amanda-

Please see below for information on funding public art with park fees.

**Subject:** Public Art funded by Public Art

Hi Nicolle,

[SJMC Section 22.08.040](#) allows public art to be funded by a turnkey parkland project. A snippet of the code is below.

22.08.040 - Additional guidelines on calculation of public art funds.

A. Turnkey Parkland Projects. Developers of Turnkey Parkland Projects shall be encouraged by the city to include public art with a **value of one (1) percent** of the total project cost for the Turnkey Parkland project.

B. City parks capital improvement projects. For capital improvement projects funded from the park trust fund, **the city manager shall have the option of allocating the one (1) percent public art requirement from the construction & conveyance tax funds** instead of deducting the one (1) percent public art funding from the park trust fund.
