Dylan and Cherly,

The link to the revised General Plan Language is not working. I've attached the documents in case you need it again.

Best,

LU-1.9 Preserve existing Public / Quasi-Public lands in order to maintain an inventory of sites suitable for Private Community Gathering Facilities, particularly within the Residential Neighborhoods, Urban Villages and commercial areas, and to reduce the potential conversion of employment lands to non-employment uses. Public / Quasi Public lands located within the Diridon Station Area Plan may be re-designated to other uses provided that such uses will advance San Jose's employment growth or housing goals.
