Hello Susan,

The original 45-day circulation period required by CEQA for the Draft Environmental Impact Report (DEIR) ending on November 23rd at 5:00 PM has already been extended to 60 days, ending today (December 8th) at 5:00 PM, to allow additional review time. All comments are required to be received by the deadline to be considered in the 1st Amendment to the DEIR. However, the City is willing to accept comments from BART staff by 11:59 PM tonight (December 8th).

Best regards,

Shannon Hill, Planner

Hi Shannon,

BART has not yet determined whether we will submit a comment letter on the Downtown West project. If so, would you accept a letter a day or two late?

Thanks,
Susan
