Subject: FW: comments on The Downtown West/Google Project's EIR, and more

Hi All,

Please refer to the attached comment letter. Most of the letter pertains to concerns about future planning efforts for the DISC that are not related to CEQA. However, there are questions/concerns raised in the letter about using existing footprints for D block parcels within the riparian corridor (Creekside Walk at South Autumn Street) and access coordination with Google to Diridon Station.

Thanks,

Shannon Hill, Planner
